GUARANTEE

THREE MONTHS GUARANTEE:—All of our stock is of a high quality, hardy, and native grown. It is carefully dug and packed so as to reach you in first class condition and, with proper planting and maintenance, should thrive. However, should any ornamental stock purchased at regular catalog prices fail to live we will gladly duplicate the same. This guarantee is void if the account is not paid within thirty days of invoice, or if such failure to live is not reported within ninety days of purchase.

At no time can we be held responsible for a sum greater than the original purchase price of stock which needs replacing. This guarantee only covers ornamental stock and does not include cuttings, transplants or seedlings listed in this catalog.
